

CNC Mill Machinist (Setup & Operation) – 2nd Shift Position

Arnprior Rapid Manufacturing Solutions, Inc., Rochester, NY, is recognized as being one of the largest "all under one roof" manufacturing solution centers in the Northeast United States. We develop, and then manufacture challenging custom mechanical components and assemblies for our customers in the medical, consumer, and aerospace industries.

We are located at the Eastman Business Park in Greece, NY, and currently have an opening on our 2nd shift for a CNC Mill Machinist. This is a 2nd Shift position with a work schedule of Monday thru Thursday, 2 p.m. until 12:30 a.m. Perfect for the candidate who enjoys long weekends! Arnprior-RMSI recognizes the importance of recruiting and maintaining the best talent. Therefore, we try to offer employees a work schedule that intends to balance personal life, as well.

Additionally, we offer a minimum of the following benefits:

- 200,000 square feet of a clean facility
- Air-conditioned work space
- Competitive pay
- Shift differential for assigned 2nd shift
- Secure parking
- Paid vacation
- Paid sick time
- Health care
- Dental coverage
- 401K with Company match

The chosen machinist will work with his or her team and independently perform high-tolerance prototype and production-style machining using GD&T and in-process inspection methodology.

Minimum Job Requirements:

- Experience performing setups and operating mills
- Demonstrated ability to create products that require tight tolerances
- Proven ability to edit programming, when necessary
- Ability to read and understanding drawings
- Knowledge of ISO 9000 and AS9100 preferred
- Multi-axis experience, a plus

If you have the skill level and desire to work in this type of environment, we welcome you to apply through this posting.

Our company culture is ideal for someone who expects to take ownership of their work and participate in company growth. We believe that giving input and sharing ideas with direct-reports and leadership, and listening to theirs, in return, is a requirement for all of us, as a team, to excel. All candidates must have the desire to grow in the job.
