

General Wood Worker With Machine Shop Experience

Arnprior Rapid Manufacturing Solutions, Inc., Rochester, NY, is recognized as being one of the largest "all under one roof" manufacturing solution centers in the Northeast United States. We develop, and then manufacture challenging custom mechanical components and assemblies for our customers in the medical, consumer, and aerospace industries. As our website, www.arnprior-rmsi.com, will confirm, seldom is a job assignment the same.

We are located at the Eastman Business Park in Greece, NY. Arnprior-RMSI recognizes the importance of recruiting and maintaining the best talent. Therefore, we offer competitive salaries and a minimum of the following additional benefits:

- Competitive pay
- Choice of Medical coverage plans
- Secure parking, cafeteria
- 401K with Company match

The chosen candidate will work with their team and independently build fixtures, molds and parts, as well as, assemble products in a timely and efficient manner. Additionally, he or she will build custom shipping containers for Company products.

Minimum Job Requirements:

- At least 3 years of Woodworking and/or Thermoforming experience
- Experience operating general machining tools, such as woodworking equipment, mills, thermoforming equipment, and CNC routers.
- Demonstrated ability to interpret engineering drawings or rough sketches according to manufacturing instructions
- Hands on experience working with all types of materials, e.g. foams, plastics, wood, and metals
- Understanding and use of CAD systems, and have the ability to program milling machines (CAM), a plus.
- Work 6 am until 2:30 pm
- Willingness to work overtime, as needed
- Knowledge of ISO9001 and AS9100 preferred

If you have the skill level and desire to work in this type of environment, we welcome you to apply by sending your resume to: hr@arnprior-rmsi.com.

Our company culture is ideal for someone who expects to take ownership of their work and participate in company growth. We believe that giving input and sharing ideas with direct-reports and leadership, and listening to theirs, in return, is a requirement for all of us, as a team, to excel. All candidates must have the desire to grow in the job.
